WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

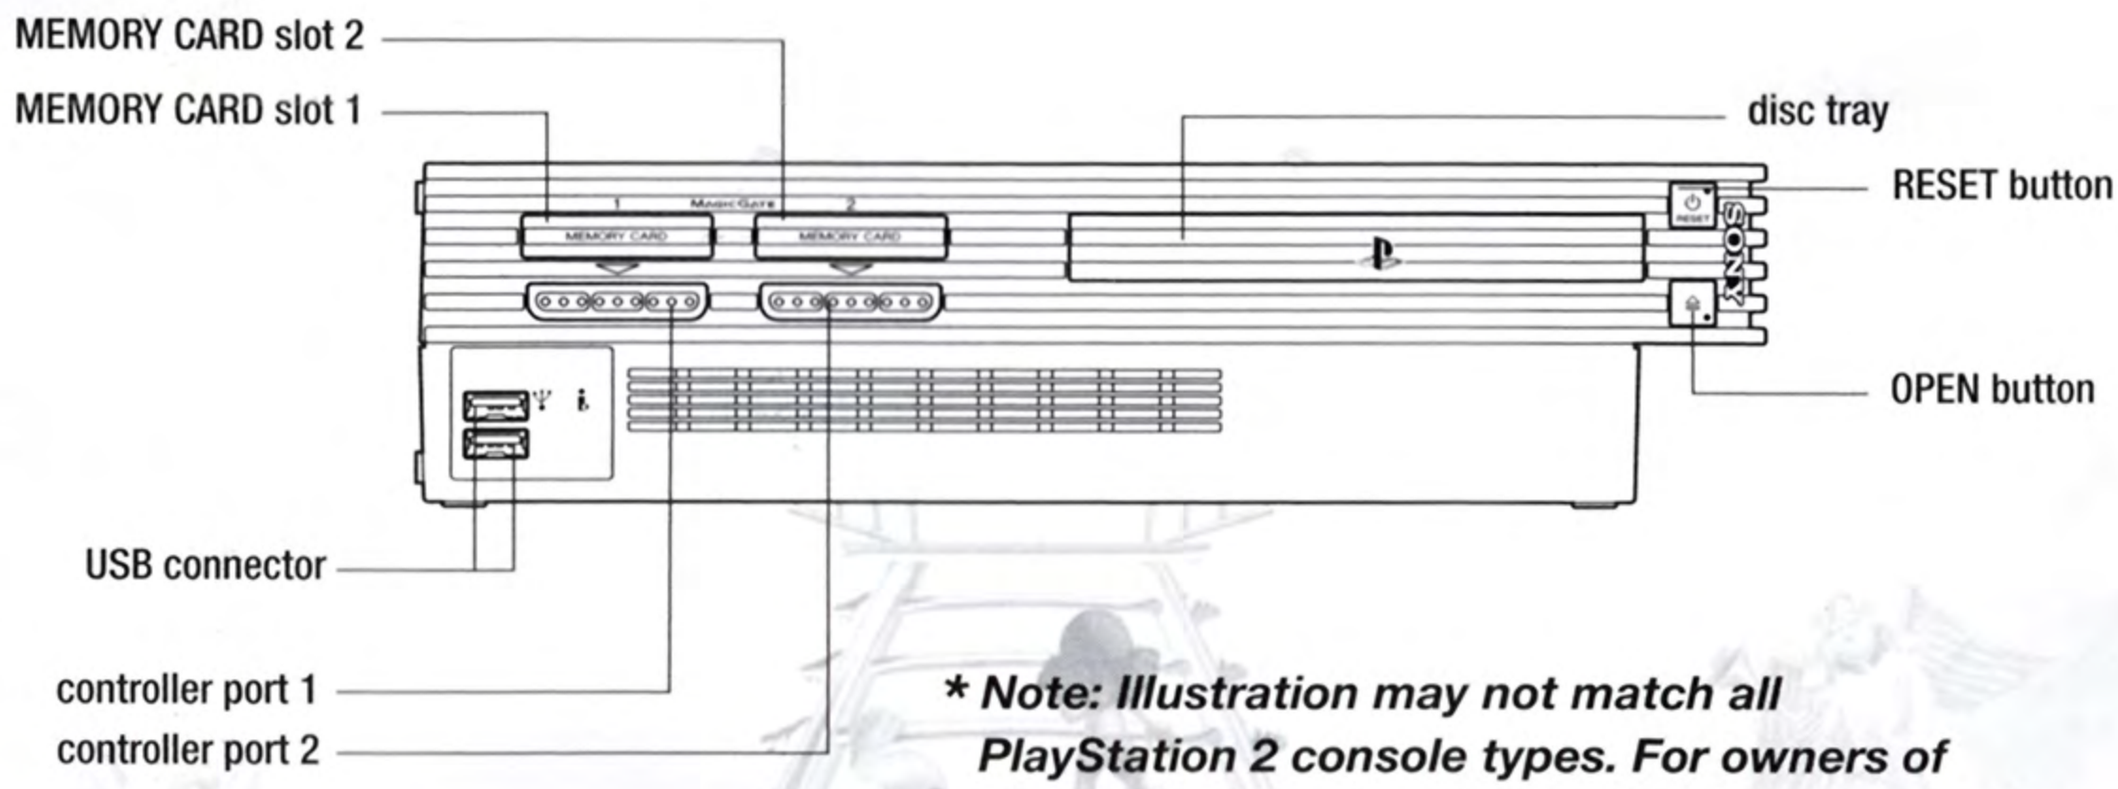
Getting Started



**** Note: Illustration may not match all PlayStation 2 console types. For owners of SCPH-70000 series PlayStation 2 systems, refer to the setup instructions supplied with your system.***

Set up your PlayStation®2 computer entertainment system according to the instructions in its Instruction Manual. Make sure the MAIN POWER switch (located on the back of the console) is turned ON. Press the RESET button. When the power indicator lights up, press the OPEN button and the disc tray will open. Place The Bible Game disc on the disc tray with the label side facing up. Press the OPEN button again and the disc tray will close. Attach game controllers and other peripherals, as appropriate. Follow on-screen instructions and refer to this manual for information on using the software.

Controls

DUALSHOCK®2 ANALOG CONTROLLER CONFIGURATIONS

The Bible Game

Stories and characters from the Old Testament come alive in this delightful game show competition for up to four players. A dozen themed mini-games (challenge games), bible trivia questions, individual challenges (blessing games), plus many special twists and turns are joined together in a television game show format to bring you many hours of enlightening game play!

So, press the START button to continue and let's see how it all works!

The Main Menu

This screen gives you our four main choices.

TV Game Show

This is a four-player, television game show format party game—Do Unto Others! In it you compete with the other contestants to win the most points.

Challenge Games

You can play all of the challenge games by themselves and keep track of the on-going total scores. Play your favorite game over and over, or play all twelve. See who can get the highest total score to win the tournament.

High Scores

Here's where we keep the high scores for the game show totals; divided into short, medium, and long game scores. Use the directional buttons or left analog stick to move between the three screens. Press the × button to save your changes or press the △ button to return to the Main Menu.

Options

Change audio levels, game length, trivia difficulty level, mini-game difficulty level, and help button position. Use the directional buttons or left analog stick to move up and down, then move left or right to change the setting. Press the × button to save your changes or press the △ button to return to the Main Menu without saving changes.

The Game Show

Do Unto Others!

To play this game, select it from the Main Menu (highlight the title, then press the × button). You will go to the Sign In Screen.

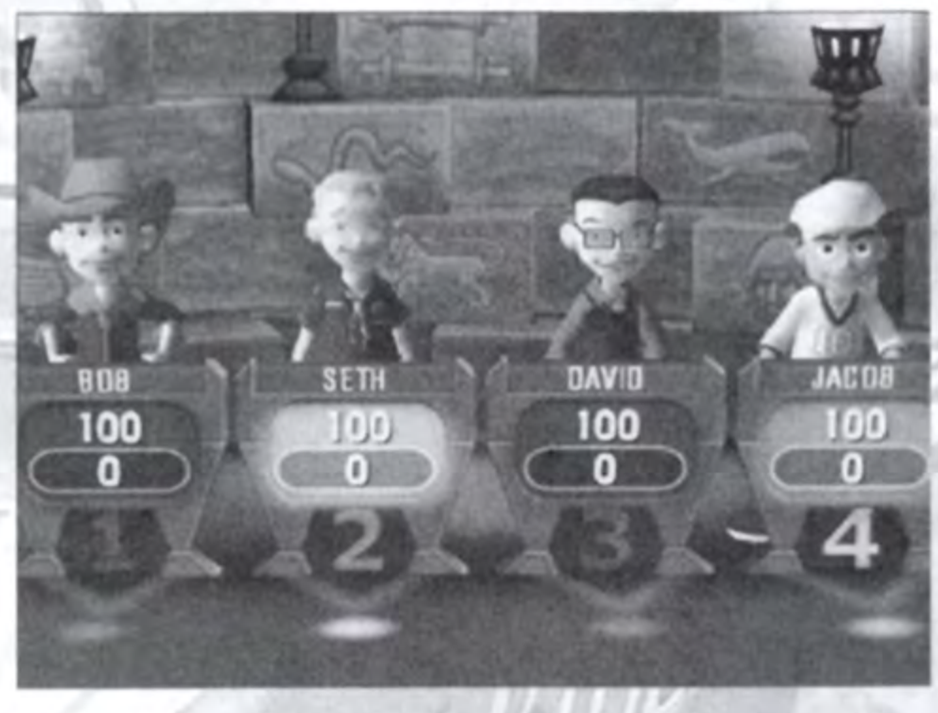
Sign In Screen

This is where everyone joins the game! Move your highlight to the character you want to play (the highlight is the number of your controller). Each character already has a color assigned to them. Press the × button to select a character and then you can name your

player. Use the directional buttons or left analog stick to highlight a letter in the alphabet and press the ✕ button to select it. The letter will appear in the name box below. If you make a mistake, press the up directional button to move to the word "Delete" and press the ✕ button to delete the last letter you entered. Once you have entered your name (maximum 8 characters), press the down directional button to select the word "Done." Once everyone has selected a character (up to four players with a multitap (PS2) and DUALSHOCK®2 analog controllers), press the START button to begin the game. If fewer than four controllers are active, the other players will be randomly selected. NOTE: The sign-in works just the same for the Challenge Games tournament mode. Once you have entered your name, as long as you don't turn the console off, your name remains as a default whenever you re-enter this screen. Then, you just have to select "Done" to accept the default without any changes.

Starting Up

After a brief intro from our host, Justin Warren, we see all four players behind their podiums. Everyone starts with 100 points. The player's names are displayed at the top of the podium, the round total just below, and the game total below that. We now light up each podium in turn and randomly stop on a lucky contestant, who wins the privilege of going first.



The Game Screen

This is where the rounds begin, and end, during Do Unto Others! The current player is shown in the bottom center, and the number "squares" are randomly highlighting as the player waits to make his or her move. When a player gains control of the board, including the very first move, they have to choose at least one square. After that, they can continue to choose squares, or pass control to the next player. Choosing a square does two things: you win the points that are shown and you trigger a game event.

Game Events

There are a number of things that can happen when you choose a square on the board.

1. Do Unto Others. The player selects from a number of outcomes that are good for the player with the fewest points (e.g., give 150 points to Purple).
2. Commandment. The player gets points from either all other players or one other player.
3. Testament Trivia. Starts a 4-player speed trivia game.
4. Blessing Game. Starts a 1-player short game for points.
5. Challenge Game. Starts a 4-player challenge game for points.
6. Wrath of God. Triggers one of the plagues upon the player, bringing an end to the round and robbing the player of his or her round points.
7. Jackpot. You have a 1 in 4 chance of getting the jackpot if you select the last number available. If the jackpot doesn't come up, the Wrath of God does.

The Jackpot

The jackpot points are shown at the top left of the game screen. This number increases every round and can only be won by selecting the last number available on the board after all the others have been chosen. Even then, you only have a 1 in 4 chance of getting the jackpot; otherwise it's the Wrath of God.

The Timer

The remaining game time is shown at the top right of the game screen. Short, Medium, and Long games start with different times (10, 20, and 30 minutes, respectively). When the timer runs out, the next round will be the final, Grace of God, round. Note that the timer stops ticking down when the game is paused, when players are practicing a challenge game, or when a player takes longer than 15 seconds to make a choice on the game screen. So keep in mind that the timer does not tell you exactly how much time is left—just how much time before the next round will be the last round.

Do Unto Others Square

This game gives you 10 seconds to attempt to choose from rapidly appearing options. They are all going to give something to the person with the fewest points (not counting yourself). The options are:

1. Give your turn away
2. Give points away
3. Play a Blessing Game and give away any points earned

Commandment Square

This game randomly chooses to take points from heaven, from all other players or from the leader, and then chooses from the three point values.

Testament Trivia Square

This game asks questions (1 of 1500) based on events in the Old Testament. The player chooses an answer by pressing the button shown to the left of it. When a player chooses, an icon appears below the answers to show in what order they have answered. When all four players have entered their guesses, the correct answer is announced and displayed.

After the correct answer is announced, the scores are tallied. Anyone answering correctly gets points, but the faster you answer, the more points you get. Incorrect answers are scored zero, and if the player in control of the board gets a trivia answer incorrect they must pass control to the next player!

Blessing Game Square

Each of the blessing games is a short, single-player game to win points. These are detailed in the section on page 12 (Blessing Games).

Challenge Game Square

There are twelve different challenge games. They are all four-player games to win points. These are detailed on page 8 (Challenge Games). All have an instruction screen with basic instructions, hints, a bible verse reference to the theme of the game, and the game's high score table. You can also choose "Practice" to play a short version of the game off the clock and without points being awarded. Otherwise, press the × button to play for keeps.

The Wrath of God

Each round begins with a player choosing a square on the game board. Each round ends when the event chosen on the game board is the Wrath of God. There is always a WOG square on the board, so it is just a matter of time and luck before it is uncovered. The player who triggers the WOG loses all of the points they have earned in that round. Once a round is over, your round points (if any) are added to your total points and cannot be lost. The key is to go as long as you can without triggering a WOG, then pass control when the risk is too high. Of course, it is possible that you could end up giving the next player the jackpot instead! Those are the chances you take.

The Grace of God

This final round is played after time has run out during the previous round. It is a completely unique round that gives everyone a fighting chance for first place—if they are willing to risk it all. There are eight icons hanging from the tree of knowledge. Each choice will either be a fruit (there are 7) or a snake (only 1). Each time you reveal a fruit, you win points. The next fruit is worth twice as much—and that is added to your first score! So, if the first fruit is worth 40 points, the next is worth 80; for a total of 120 points for the two fruit. As you can see, you can quickly close the gap between scores here if you are willing to take a risk. The player in last place goes first; the player in first place (when the round started) goes last. The player with the most points at the end of this round wins the game. But even if you don't win, you might end up in the High Score table!

Challenge Games (Tournament Mode)

Choose this option from the Main Menu and you will go through the Sign In Screen to choose your character and input your name (same as when playing Do Unto Others!). After the characters have been chosen, you are shown a screen with all twelve of the challenge games listed. Any active player can choose from the list. Pressing the △ button on this screen will end the tournament mode, tally up the final scores, and announce the winner before returning to the Main Menu.

Challenge Games

David & Goliath

Instructions

Hurl stones at Philistine targets!!! Your cursor begins by moving up and down. Press the ✕ button to stop the up and down movement and start the left and right movement. Press the ✕ button while your cursor is over a target to stop the cursor and throw a stone to that position.

Hints

Targets that are farther away are worth more points than the closer targets. Hit Goliath in the forehead for a big score. You can wait for your cursor to slow down for more accurate targeting.

Noah's Ark

Instructions

Help Noah gather pairs of animals to put them on the ark! Highlight a picture by moving your cursor with the left analog stick. Press the × button to select it. Move your cursor to a matching picture and press the × button again to make a match and send a pair of those animals to the ark.

Hints

Before the game begins, look for pairs that are close to each other. This should be your first match. Wait to see a pair before selecting the first picture to speed up your matches. Other players can steal your first selection, so pay attention!

Jacob's Ladder

Instructions

Climb Jacob's Ladder! Match the on screen arrow direction that appears above your player by selecting the up, down, left, or right directional buttons or selecting directional position on the left analog stick. The more matches you make, the farther you will climb.

Hints

The more correct matches you make in a row, the faster the next arrow will be displayed. It is usually better to make slower correct matches than quicker wrong matches.

Tower of Babel

Instructions

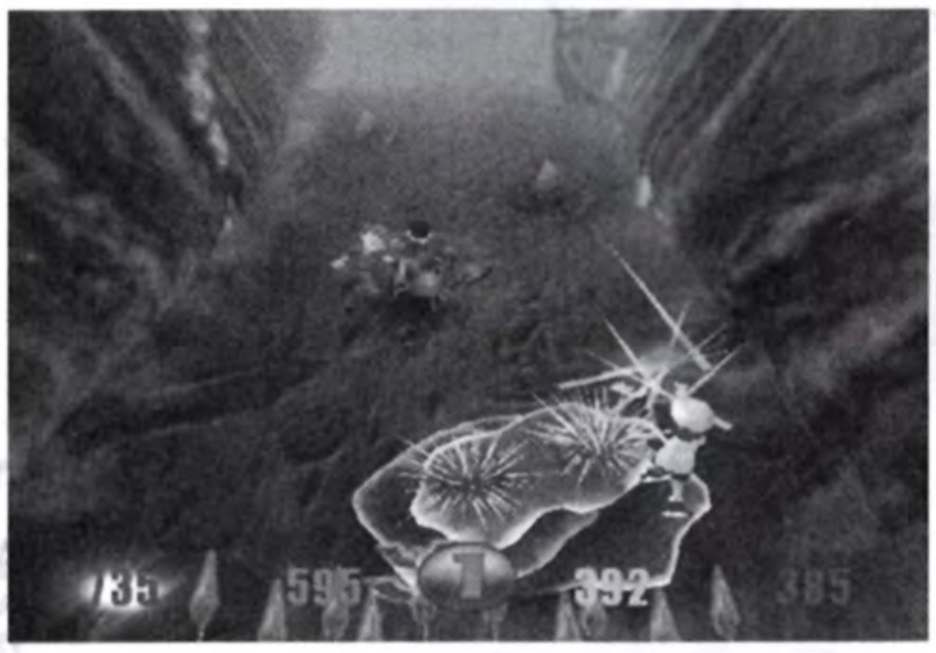
Smash the most stones to bring down the Tower of Babel. Select a portion of the wall by moving your cursor left, right, up, and down to outline a piece of the tower wall. When the piece is completely outlined, it will fall.

Hints

Pick a section of the wall that another player is NOT working on. If another player's cursor crosses your tail, it is cut off. Bigger selections are worth a lot more points. Cut off other player's tails to keep them from scoring big.

Red Sea

Instructions



You must flee Egypt. Move your player left or right to avoid obstacles as you run along the Red Sea bottom. Press the X button to jump over the obstacles.

Hints

Do not touch the water on the sides or you will be carried away. You can get out of the water or speed up your recovery time by repeatedly pressing the ✕ button. Try to avoid, getting bumped into obstacles by the other players.

Seven Days

Instructions

Shoot your ball into any open hole. Press the ✕ button to lock your launch direction; hold it down to power up your ball launcher. Release the ✕ button to shoot the ball across the bowl toward the hole. You may only have one ball in the bowl at any given time.

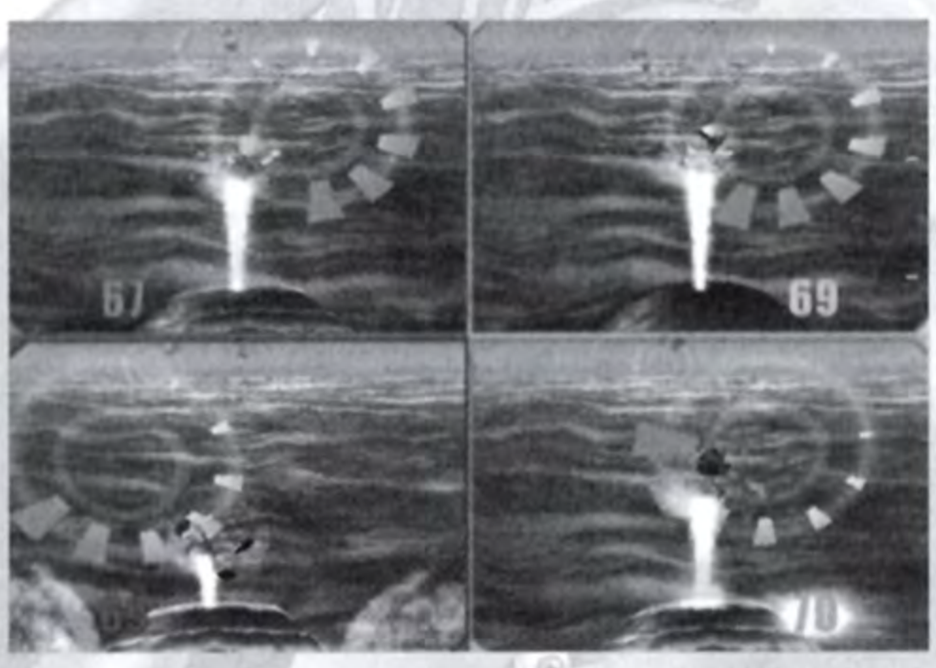
Hints

The bowl is curved inward, so the ball will drop toward the center as it moves. Pick up bonus points by hitting the rings. Additional rings you pick up with the same ball are worth more and more points, so pick up as many as you can. If a ball is moving too fast, it won't drop into the hole.

Jonah's Whale

Instructions

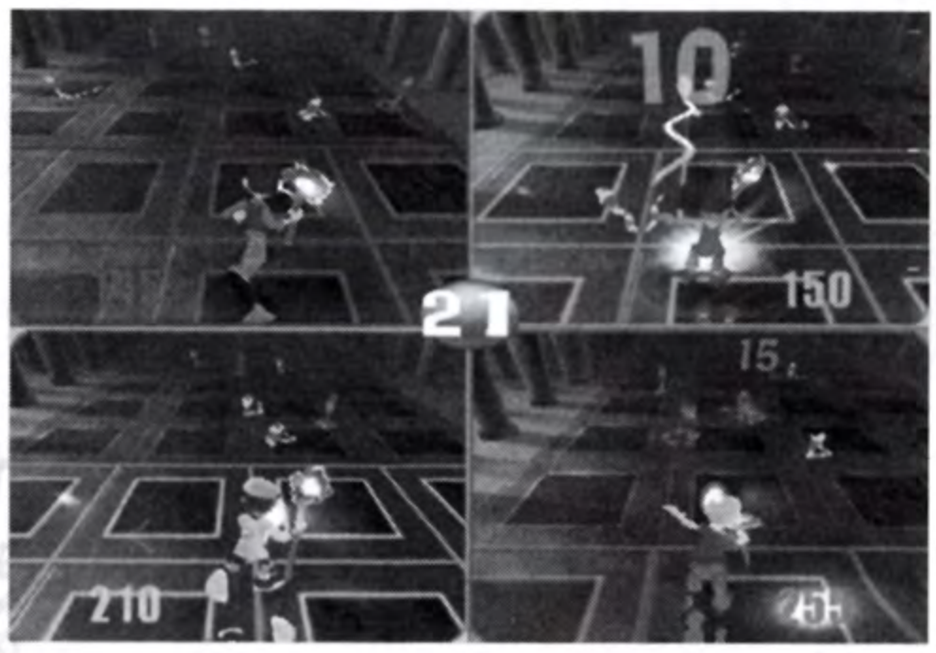
Race Jonah's Whale! Press the ✕ button repeatedly to increase the height of your player! Move left and right to steer your character through each ring. The closer you get your character to the center of the ring, the more points you earn.



Hints

As you move your character through a ring, immediately begin lining up your whale with the next ring. Don't over steer or move your spout up too high.

Staff of Aaron



Instructions

Destroy Pharaoh's snakes! Press the ✕ button to fire your snakes at the Pharaoh's cobras. Move your character to avoid getting hit by the cobras.

Hints

It takes 1 shot to kill a green cobra, 2 for a yellow, and 3 for a red. Green cobras are worth the least, yellow are worth more, and red are worth the most! Once you've lined up a red cobra, fire quickly and don't move.

False Idols

Instructions

Destroy the False Idols! Kick the false idols into the melting pot. Run up to a false idol to deflect it in the direction you are running. The longer you run before you hit the idol, the harder the kick.

Hints

Look for idols controlled by other players near the edge of the melting pot. Kick them in to steal points from that player and make a few for yourself. The farther the idol travels before falling into the center, the more points you get.

Lion's Den

Instructions

Trap the Lions! Attract the lions by getting close enough to them to make them chase you. Once the lion is chasing you, run over a trap to select it and make the lion fall through. You will be unable to move for a second if a lion catches you.

Hints

The lion will follow the character closest to it. Avoid fighting over control of a single trap. The trap belongs to the last player to step onto it, so standing on it will not keep it selected.

Leap of Faith

Instructions

Jump from rock to rock to collect the manna. Hold down the ✕ button and use the left analog stick to position your cursor, and then release the X button to jump to where the cursor is.

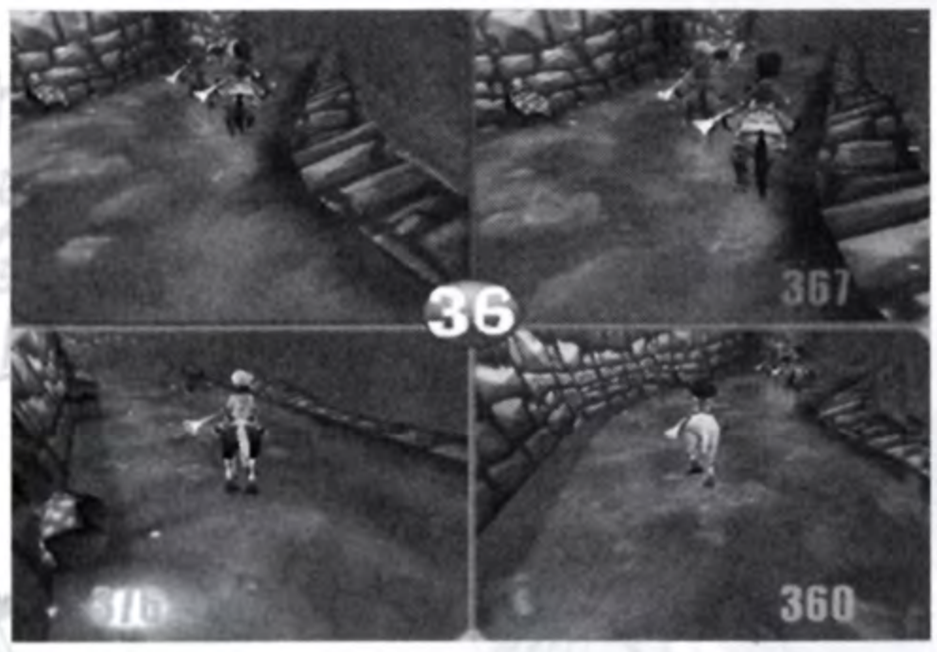
Hints

Scoring is based on how fast you get your next manna. The super manna are worth more points. Landing in the sand will slow you way down.

Walls of Jericho

Instructions

Bring Down the Walls! Hold down the ✕ button to make your horse run. Move left and right to avoid the walls and the obstacles, including other players.



Hints

On tight turns, release the ✕ button to slow down so you don't hit the wall. Always look ahead to avoid the obstacles.

Blessing Games

Grace of God Round

Instructions

Use the left analog stick or the directional buttons to move the cursor over an individual piece of fruit. Press the ✕ button to select a fruit. You will get either fruit to score points or you will pick the dreaded snake and lose all of your points

10 Commandments

Instructions

Put the commandments in the right order! Move the cursor over a commandment and select it by pressing the ✕ button. Move to another commandment and press the X button to swap their positions.

Hints

Scoring is based on how much time is on the clock when you put a commandment into the right spot, so it might be worth more points to do the closest ones first.

Holy Land Scramble

Instructions

Rebuild the scrambled map! Move the cursor to a picture piece and press the ✕ button to select it. Move the cursor to another piece and press the ✕ button to swap their positions.

Hints

Look at the edges of each map piece. Most edges will give you a big clue about where to put it.

Coat of Many Colors

Instructions

Hold down the × button to increase the power of the plunger. Release it when the desired power level has been reached. Two balls cannot end up in the same slot. The points from the first ball will be subtracted from your total. You have a total of four balls to shoot.

Hints

You are supposed to be GIVING your winnings to another player. Will anybody notice if you do not play well? Only God knows!

Angels and Devils

Instructions

When an Angel flashcard appears, press the ○ button. When a Devil flashcard appears, press the × button! The more correct answers you give in a row, the more points you get.

Hints

Correct answers give you more and more points, so being a little slower but correct all the time is better than going too fast and getting some wrong. By the way, angels have wings, the devil has horns!

Follow the Light

Instructions

After the light sequence is shown, repeat it by highlighting and selecting the lights in the same order. Move your highlight with the directional buttons or left analog stick and press the × button to select a light.

Hints

If you get one wrong, the game is over even if there is still time on the clock, so be careful to get them right for the most points.

Bible Pairs

Instructions

Move your cursor over a square and press the × button to select it. The square will reveal one picture of a pair. Select another square. If this picture completes the pair, you receive points. There are 6 matches to be uncovered.

Hints

A bible pair is a person and something they are connected to in the Old Testament. For example: Daniel + Lions. Each matching pair is also in a matching color.

Samson

Instructions

Help Samson tear down the temple! Press the × button as many times as you can before the timer runs out to help Samson gain the strength he needs to tear down the temple.

Hints

Press that × button as fast as you can. Don't stop until the temple starts coming down, even if you fill the bar.

NOTES

Warranty and Service Information

CRAVE ENTERTAINMENT, Inc. warrants to the original purchaser of this CRAVE ENTERTAINMENT, Inc. product that the software storage medium in the product is free from defects in material and workmanship for a period of ninety (90) days (unless prohibited by applicable law) from the date of purchase. The CRAVE ENTERTAINMENT, Inc. software program in this product is sold "AS IS" and without any expressed or implied warranties for losses or damages of any kind resulting from use of the software program. If the CRAVE ENTERTAINMENT, Inc. product fails to comply with this limited warranty, CRAVE ENTERTAINMENT, Inc. agrees to either repair or replace, at its option, free of charge, the non-complying product, provided the product is returned by the original purchaser, postage paid, with proof of purchase to CRAVE ENTERTAINMENT, Inc. at the address set forth below. When returning the product for warranty replacement, please send the original product disc(s) only in protective packaging and include: (1) a photocopy of your dated sales receipt; (2) your name and return address typed or clearly printed; and (3) a brief note describing the defect, the problem(s) you are encountering and the system on which you are running the product. If you are returning the product after the 90-day warranty period, but within one year after the date of purchase, please include check or money order for $10 U.S. currency per disc replacement. Note: Certified mail recommended.

In the U.S. send to:
Warranty Replacements
Crave Entertainment, Inc.
4 San Joaquin Plaza, Suite 200
Newport Beach, CA 92660

This warranty shall not be applicable and shall be void if the defect in the CRAVE ENTERTAINMENT, Inc. product has arisen through abuse, unreasonable use, mistreatment, neglect or reasonable wear and tear. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES AND NO OTHER REPRESENTATIONS OR CLAIMS OF ANY NATURE SHALL BE BINDING ON OR OBLIGATE CRAVE ENTERTAINMENT, INC. ANY IMPLIED WARRANTIES APPLICABLE TO THIS SOFTWARE PRODUCT, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE NINETY (90) DAY PERIOD DESCRIBED ABOVE. IN NO EVENT WILL CRAVE ENTERTAINMENT, INC. BE LIABLE FOR ANY DIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THE CRAVE ENTERTAINMENT, INC. SOFTWARE PRODUCT.
Some states do not allow limitations as to how long an implied warranty lasts and/or - exclusions of liability may not apply to you. This limited warranty gives you specific legal rights and you may also have other rights, which vary from state to state.

Customer Support

You may need only simple instructions to correct a problem with your product.
Call the Customer Service Line at 949-219-1199, 9:00am-5:00pm.
